### **Roving Meet & Greet Socials**

*Thursday, November 14<sup>th</sup>*

**Coming to the North Metro!**

The Executive Committee of the Twin Cities IEEE Section would like to meet our members, and provide a networking opportunity for our members to meet other members and potential members. However, we realize it can be difficult to come across town at rush hour. So ... we're coming to you! We are going to be hosting a number of Meet & Greet Socials around the Twin Cities, so it can be an easy stop after work. It's a great opportunity to network with IEEE members in your area! Bring along your friends and fellow employees!

Our next social will be **Thursday, November 14th at Applebee's in friendly Fridley from 4 – 6 PM**. Appetizers and first beverage is on us! Click [HERE](#) for more information and to RSVP.

### **Metro Area Workshop**

*November 22<sup>nd</sup> – 23<sup>rd</sup>*

Are you interested in topics like Big Data? Developing a Smartphone App? Learning about the Smart Grid? If so – **Mark your calendar for the Metro Area Workshop!!**

This fall the Twin Cities Section is hosting an IEEE Smart Tech Metro Area Workshop. This workshop will provide participants with a unique learning experience with topics on the cutting-edge of technical innovation today. The workshop is a springboard to a deeper understanding of technology and its myriad applications and potential for innovation. CEUs will be awarded for all workshops

Sessions will be taught by experts in their field from the Twin Cities, as well as across the country.

The workshop will be Friday and Saturday, November 22-23 at the Ramada Bloomington Minneapolis Airport / Mall Area hotel. The early-bird member cost is \$139 – with **Early Bird pricing ending on Oct. 29<sup>th</sup>**.

Student members – There are a limited number of tickets **Student Member tickets available for \$49!** Check your email for more details!

Find full information and session descriptions [HERE](#). Go directly to Registration [HERE](#)

## Meetings and Workshops:

### **49<sup>th</sup> Annual Minnesota Power System Conference - MIPSYCON**

This conference provides electric utility engineers and consultants the opportunity to stay abreast of today's power system technology. The conference emphasizes the unique challenges faced by electric utilities in the Midwest.

November 5<sup>th</sup>, 2013

Click [HERE](#) for more information

### **Commercial Wireless Data Connections**

Signal Processing & Communications Chapter

November 21<sup>st</sup> at Implex Corp.

Click [HERE](#) for more information

## Award nominations

Nominations for TC Section Awards are now being accepted. Please take a few minutes to recognize a fellow engineer that has done a great job this last year. Nominations are being accepted for:

- Outstanding Engineer
- Outstanding Member
- Outstanding Student
- Corporate Outstanding Engineer

More information and nomination forms can be found [HERE](#).
