

# IEEE Section Outstanding Student Award

## **A. Description:**

The "Outstanding Student Award" is designed to recognize Student Branch Members of the Twin Cities Section who have made outstanding and noteworthy contributions to their Student Branch or their College/University.

## **B. Eligibility:**

1. A nominee shall be a member of a Student Branch of the Twin Cities Section.

## **C. Criteria for Consideration:**

1. Service contributions to the Student Branch.
2. Service contributions to the College/University.
3. Service to society, including civic organizations and charities.

## **D. Award Presentation:**

1. The "Outstanding Student Award" shall consist of a framed certificate or plaque.
2. The presentation of the award shall be made at the annual Twin Cities Section Awards Banquet.

## **E. Nomination Procedure:**

1. A nominator shall be a member of the Twin Cities Section or a Student Branch of the Twin Cities Section.
2. Nominations shall be submitted to the Twin Cities Section Award Committee by Jan 31 for presentation of the award at the Twin Cities Section Awards Banquet in Feb. Nominations shall be accompanied by the endorsement of the Student Branch Advisor attesting to personal knowledge of the nominee's accomplishments.

## **F. Evaluation Procedure:**

An evaluation shall be made by the Awards Committee and permit weighting the level of each of the four elements separately with a total of 100 points. Final selection will be made by consensus of the Awards Committee.
